Dr. Dean Schlanger
President
Manhasset Administrators and Supervisors Association

Dear Dr. Schlanger:

This letter will confirm our agreements regarding the new administrative position of Director of Mathematics and Business, K-12. It is understood that these agreements are contingent upon the Board of Education's approval of resolutions at its meeting on June 24, 2021 to create the position and to appoint Ms. Lauren Tallarine to the position.

It is agreed that the position of Director of Mathematics and Business K-12 will fall within the bargaining unit exclusively represented by the Manhasset Administrators and Supervisors Association ("MASA"). It is understood that the Director of Mathematics and Business K-12 will follow a 212-day work year, and Ms. Tallarine's salary will be \$160,060, effective July 1, 2021. The collective bargaining agreement between the District and MASA will be appended accordingly. We agree that unless otherwise specified, the Director of Mathematics and Business, K-12 will enjoy the same benefits and be subject to the same limitations as are generally applicable to Director-level positions through the collective bargaining agreement or past practice.

We anticipate that the Board will appoint Ms. Lauren Tallarine (currently serving as Coordinator of Mathematics) as the Director of Mathematics and Business, K-12, effective July 1, 2021. We agree that Ms. Tallarine's job duties and responsibilities as the Director of Mathematics and Business, K-12 will be substantially similar to her current job duties and responsibilities in the position of District Coordinator of Mathematics, with the addition of certain additional duties and responsibilities, including shared supervision of the District's summer AIS program. Moreover, all of Ms. Tallarine's time as Coordinator of Mathematics shall be counted toward her probationary period as Director of Mathematics and Business K-12.

If the above comports with your full understanding of our agreement, please so indicate by signing and returning one copy of this letter to my office.

Very truly yours,

Gaurav Passi, Ed.D.
